### TCHC's Newest Provider Offers Wide Range of Care

**WADENA, Minn. – July 13, 2020** – Tri-County Health Care's newest provider offers patients in the area another great option for family medicine and obstetrics care. Julie Meyer, M.D. is excited to be back in the area and provide care to a wide range of patients in the community.

Dr. Meyer, a graduate of Perham High School, is familiar to the area and is thrilled to be back near her hometown and provide care at the Wadena Clinic. She specializes in obstetrics, women's health, and pediatrics and has experience in geriatric care. Prior to joining the medical staff at Tri-County Health Care, Dr. Meyer was a top family practice and obstetrics provider at Carris Health in Willmar. In March, she was named a Top-5 finalist for the 2020 Family Physician of the Year by the Minnesota Academy of Family Physicians.

"I enjoy providing care for a pregnant mother, delivering the baby, and eventually caring for the whole family," Dr. Meyer said. "It really blossoms into a full spectrum of family care and that part is very fulfilling to me."

As a top obstetrics provider in Willmar, Dr. Meyer delivered between 50-70 babies each year. She makes it a high priority to come in for her own deliveries. Tri-County Health Care primary care providers are there for their obstetric patients through every milestone. These include the planning stage, pregnancy, delivery, postnatal care, and beyond.

Dr. Meyer looks forward to providing top notch care and is now accepting new patients at the Wadena Clinic. Call 218-631-3510 and ask for an appointment or Video Visit with Dr. Meyer today.
